

Ranger R50T-TURBO-70

For 100-600mm pipes

Smart Trailer Jetting System tailored to effortlessly clear sewer and storm water lines up to 600mm in diameter.

This trailer delivers progressive performances from 30LPM to 75LPM at 4000PSI, and is able to run large hydraulic root saws & chain flail nozzles at high pressure.

FEATURES

- E Jett Smart system with hydraulic hose reel layering, hose bursts and over-pressure events detection, automatic safety shut down.
- Hatz engine with twice less servicing needs as other engines.
- Weather proof engine protection, compact easy-to-tow and handle, heavy-duty trailer
- 1150L poly rotational moulded water tank with anti-siphon fill pipe
- Direct drive Hydraulic powered hose reel with 180° swivel base and locking system and speed control
- Rear mounted control panel and remote control
- Safety Beacon and Lighting
- 2x 220L Compression Locked Tool Boxes
- 1/2" x 150m, 4000 PSI Jetting Hose
- 5m 1/2" Leader Hose
